THE 1960 VOYAGEUR

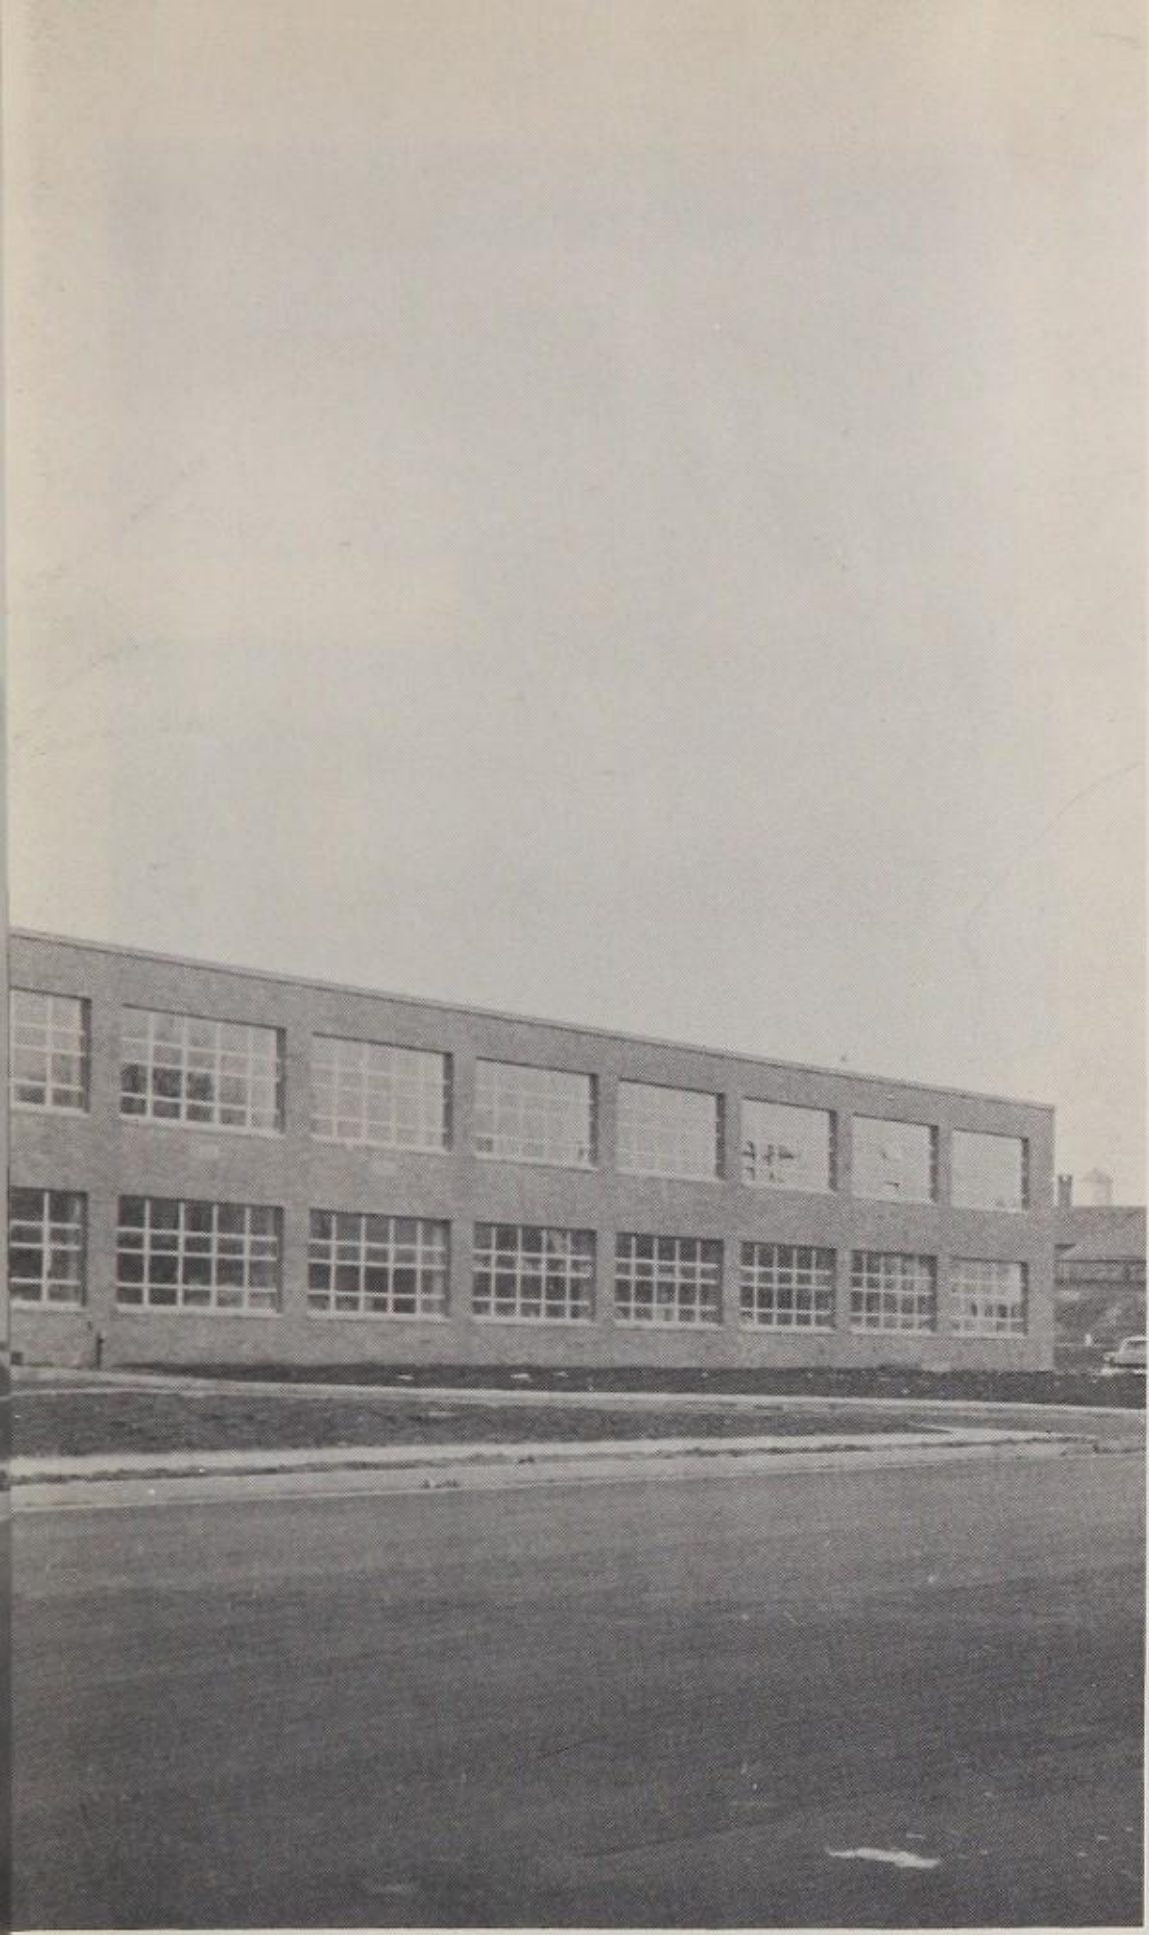

LEAVING THE OLD . . .

TO ENTER THE NEW . . .

FREEPPORT HIGH SCHOOL,

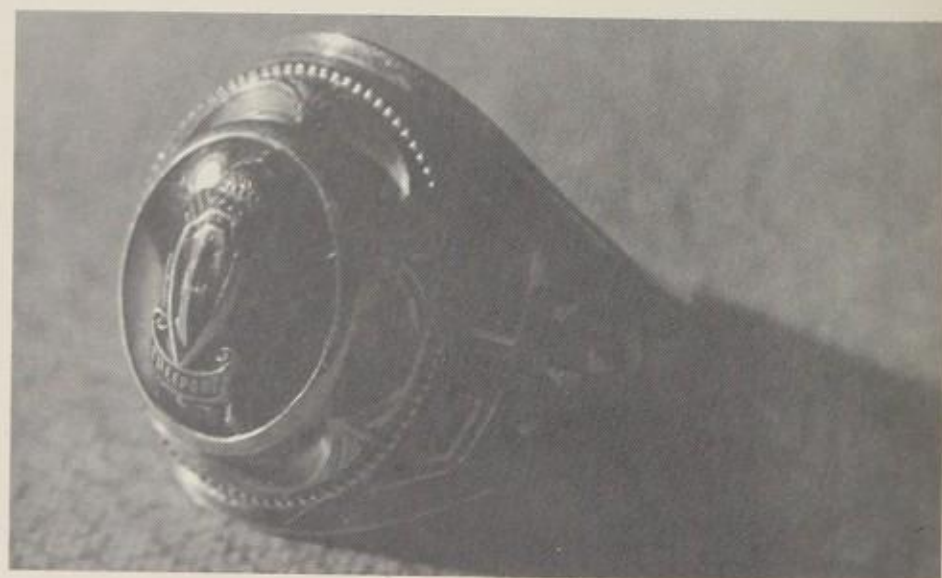

FREEPORT, NEW YORK

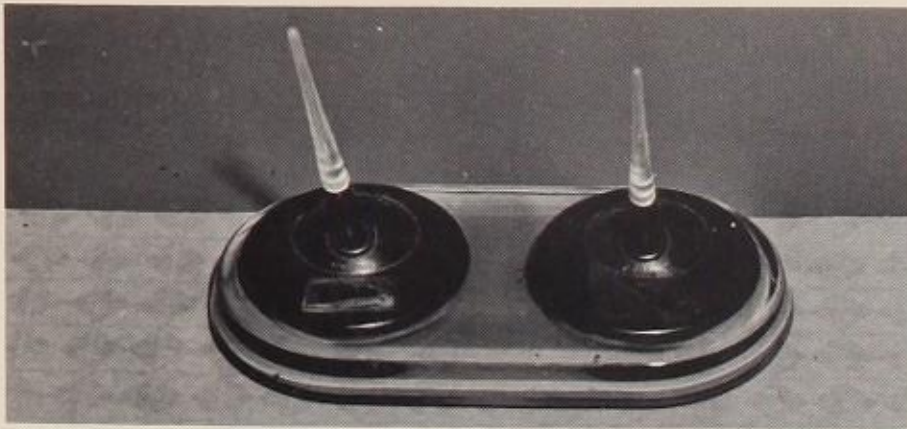

Janus, the Roman God with two faces, looked both backward and forward. This, in a sense, is what we have attempted to do in the 1960 *Voyageur*. We are looking back upon the old Freeport High School in which we began the year and in which thirty-five classes before us began their senior years. We are also looking forward, forward to the newly-completed senior high school in which we are holding our Senior Prom and from which many classes to come will graduate.

This year has been a trying one for everyone connected with Freeport High School. We labored under the handicap of split sessions and extremely over-crowded conditions. Many a club never met in the same room twice; some were even forced to gather on the front steps of the high school. At 8 o'clock and at 12:20 the locker rooms were so crowded one could hardly move.

Although the new building was completed too late to make moving feasible, the transition "from the old to the new" was finally effected in June. We held our Senior Prom and Graduation Banquet there and thus became the first class to utilize the new facilities.

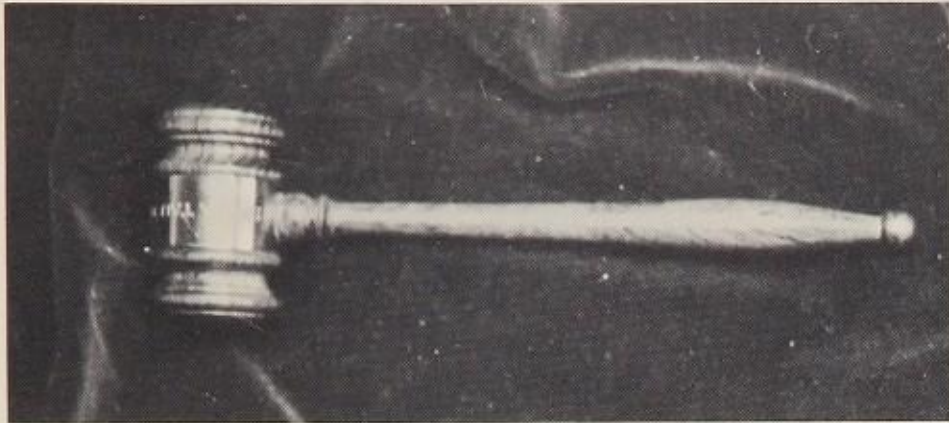

We hope that the members of the senior class will continue to look forward throughout their lives but that they will occasionally glance back and recall fondly their years in Freeport High.

WE WANT TO THANK . . .

Kathie Poulos for so generously giving her time and effort to our Yearbook. We wish here to show our appreciation to her for leading and advising us so skillfully throughout the year. We know we could never have done it alone.

Miss Mary Didas, one of the few who stood by us, for her guidance and moral support as well as for her technical assistance.

In sincere appreciation of the many hours you have unselfishly devoted to previous Voyageur staffs, we dedicate this book to you, Mrs. Fredericka Albert.

ADMINISTRATION

BOARD OF EDUCATION

Freeport is very fortunate in its selection of School Board members, for they are imbued with the ideals of high service to public education and a vision of a finer Freeport in a better tomorrow. Under the most able leadership of Mr. Leo F. Giblyn, these men, Mr. Hugh Erwin, Mr. Charles V. Brady, Mr. Roy R. Gockley, and Mr. Clifton B. Smith, give freely of their time and skill. They have maintained an unswerving devotion to the best interests of Freeport boys and girls and have been the driving force behind the successful completion of the new Freeport Senior High School.

Mr. Leo F. Giblyn
President

Mr. Hugh Erwin
Vice President

Mr. Charles V. Brady **Mr. Roy R. Gockley**

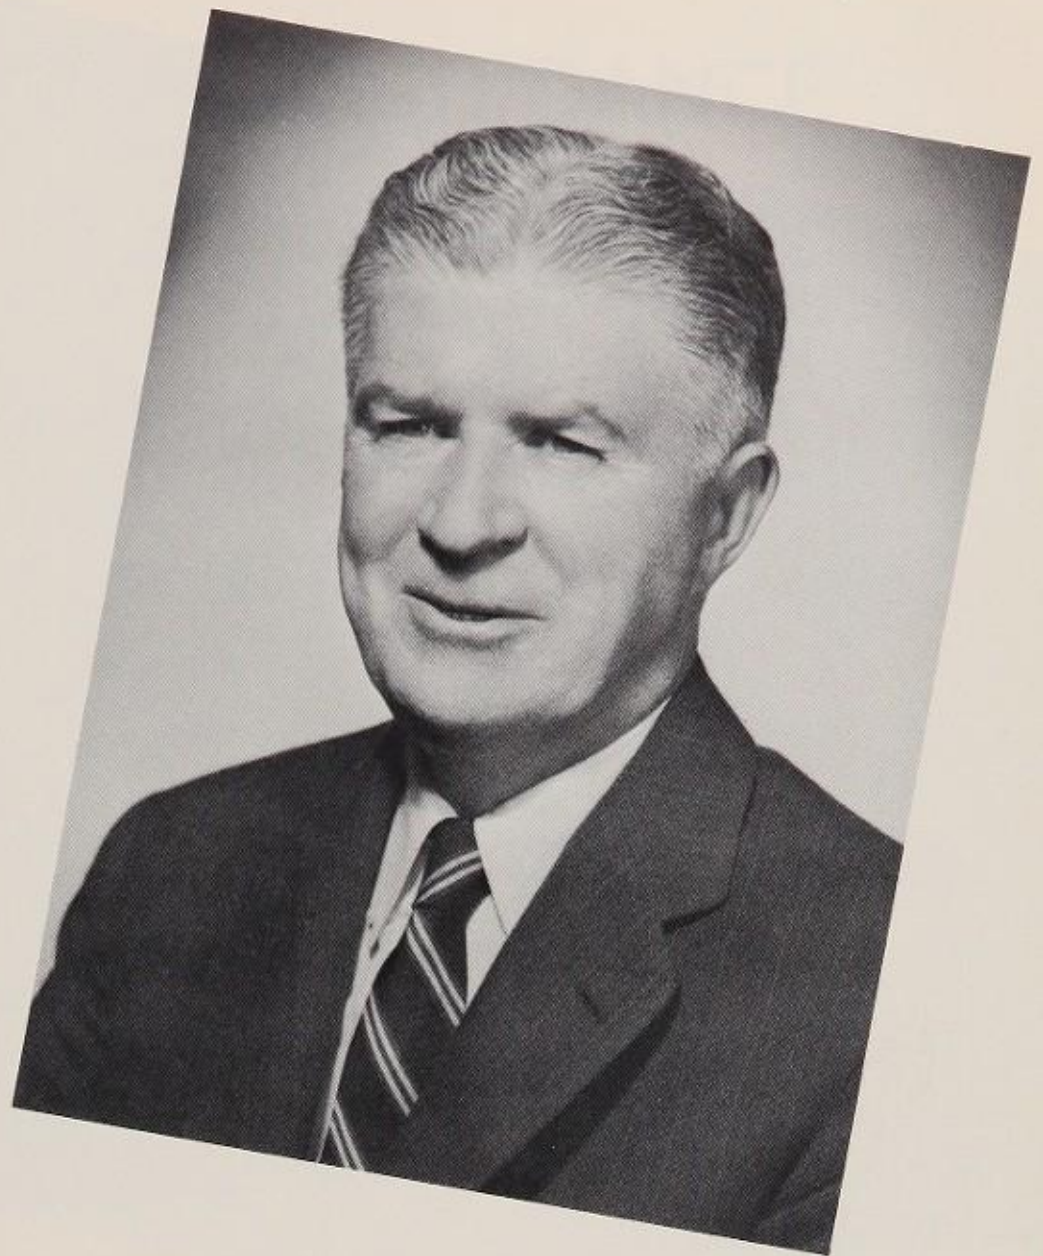

Teamwork has been the keynote of this great accomplishment. The Board of Education and the Administration have spent countless hours on this project with many groups in bringing it to fruition. Citizens, representing Parent-Teacher organizations, civic and service clubs, patriotic groups and others, met with the Board to help work out the problem of acquiring the type of high school facilities that would best serve this community.

Wide vistas of high school curriculum planning are opened by the new high school. The Board of Education believes that a new era of achievement will be reached in scholastic accomplishments, in character building, and in citizenship training. All the facilities in the way of laboratory, library, and special activity areas are provided to meet the new and higher standards of education.

Dr. John W. Dodd, recognized throughout the state as an outstanding educator, is a respected and active community leader. First and foremost, however, his interest is always the activity, progress, and welfare of Freeport's students. Under his leadership Freeport High School has maintained a high scholastic record. He is also an enthusiastic supporter of all student organizations.

Freeport is to be envied in having such able and forward-looking men leading its school system; men who believe that there is no investment so important nor so productive as the investment in the education of our future citizens. Freeport High School has had a great past; with increased facilities it will have an even greater future.

ADMINISTRATION AND GUIDANCE

During our senior year we seem to have found ourselves beating a path to the guidance office door. We received help in selecting colleges, choosing a program to prepare for a career after graduation, or overcoming scholastic difficulties. Each one of us knows how valuable such guidance is.

This year an outstanding program was the broadening of the enriched courses in English, mathematics, social studies, and science, and the guidance counselors have done an admirable job setting it up and coordinating it with the varying abilities of each student. The educational philosophy prompting this program was that the superior student had the right to learn as much as his potential indicated and that the opportunity for him to do so should be provided through homogeneous grouping and courses of scope, depth, and enriched content. In this field Freeport kept pace with and possibly surpassed other high schools on the Island. Those who have benefited from it should be grateful for this opportunity.

Although we have emphasized the services the Guidance Department has given Seniors, it must be mentioned that their valuable assistance is extended equally to students in all other grades in educational, vocational, and personal areas.

G. O.

The General Organization, representing the entire student body, has promoted the general welfare and progress of Freeport High. The G.O. officers, ably advised by Mr. John Major, have made this year one of the most outstanding yet. Ticket sales, G.O. dances, another undefeated football season, Nassau League meetings, and G.O. elections were among the numerous activities sponsored by the General Organization.

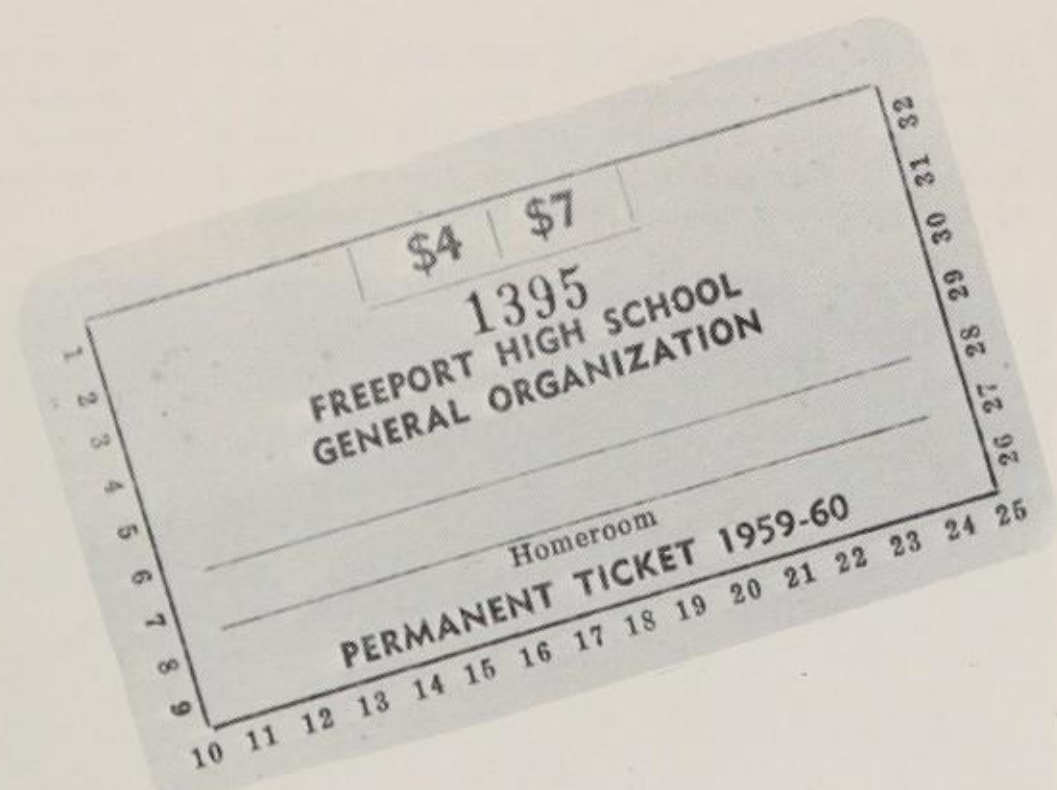

For the first time, G.O. holders have been able to obtain discount tickets valid at all Century Theaters. Again the G.O. held informal dances after basketball games and encouraged larger attendance at wrestling matches.

HOMEROOM MANAGERS

In this year as in every year, the homeroom managers have played a most important role in the success of the General Organization. Under the supervision of Mr. John Major, with the help of the G.O. officers, the homeroom managers encouraged G.O.

sales, collected payments during the fall, and distributed FlashingS at the end of each month. The General Organization would surely fail if it were not for this important middle man — the homeroom manager.

DANCE COMMITTEE

The efforts of the Senior High Dance Committee, headed by Val Diehl, Social Secretary of the G.O., provided fun for all at the two G.O. Dances. Its functions were to conceive original ideas for the dances and provide decor, refreshments, music, en-

tertainment, and publicity. Under the supervision and complete cooperation of Mr. Nathaniel Levin and Mr. John Franklin, the Dance Committee gave the student body exceptional dances such as "Bali H'Ai," with its exotic atmosphere.

The official emblem of the National Junior Honor Society is the flaming torch. All students who seek truth must light the torch of knowledge. Each member wears it not as a symbol of what he has accom-

The emblem of this Society is the keystone and flaming torch. The keystone bears at its base the letters C, S, L, and S, which stand for the four cardinal principles of its organization: Character, Scholarship, Leadership, and Service. As the keystone is placed by the builder to hold the perfect arch in perpetual stability, so the structure of our education must be held firm and

true by the virtues represented in this symbol. The flaming torch is the emblem of our purpose — to bear forward the searching light of truth, to lead that others may follow in the light, and to keep burning in our school a high ambition for the enduring values of life.

The Key Club is an international organization for sophomores, juniors, and seniors. A Kiwanis-sponsored organization, it serves the school and the community while developing initiative and leadership.

This year with the help of Faculty Adviser Mr. Richard Reed the Key Club sold football programs

for the Fathers and Boosters Club, sponsored a basketball program, collected funds for emotionally disturbed children and provided Christmas dinners for needy families. The year's activity was concluded when members of the club attended the state convention in Binghamton, New York.

FLASHINGS

As each of the seven issues of *FlasHingS* arrived in Room 232, the staff members looked at each other, unable to believe that out of their chaotic meetings a newspaper had emerged, marred only by occasional typographical errors, blackened pictures, and mistaken identities.

Many new features were added to *FlasHingS* this year. A gossip column, "The Word," appeared after a year's absence of gossip, and the new music column, "Sides and Sounds," reviewed jazz as well as rock 'n' roll. "Rhymesville," a poetry corner, was filled with esoteric talent gathered from unlikely groups such as our wrestlers and trackmen. Humor was provided through articles and stories by Harriet Schwartz (Middle of the Inside), Stephen Barasch, Paul Godt, Larry Mintz, and Bruce Mazor. Cartoons by Rett (Harriet Wallerstein) and the cool, original artwork of Paul Diamond gave *FlasHingS* a new look.

This year the entire staff, led industriously by Editor Uhl, worked long hours to inform and entertain Freeport students, who avidly read their newspapers, hidden behind history books, in study halls and classrooms.

Norwegian family. The turn-of-the-century costumes, the unusual folding sets, the lighting effects, plus the enthusiasm of cast and crew — all enhanced the production and made it a memorable one.

We have joined the American Junior Red Cross to give service to our country, our community, and our school, and to work for better human relations throughout the world. Under the supervision of Miss Ruth More and Mrs. Dolores Pratt, we have collected money in the homeroom to be used for membership dues, Christmas stockings for veterans, gift boxes for needy children overseas, and for helping underprivileged children in Nassau County.

JUNIOR DANCE COMMITTEE

Planning, decorating, and generally overseeing the two annual junior high dances was the responsibility of the Junior High Dance Committee. The committee, with the complete cooperation of Miss Mary Lefis, has managed to fulfill this responsibility amaz-

ingly well, while having a great deal of fun in the bargain. Anyone who attended "Shangri-la," the first junior high dance of the year, will be able to testify to the success of their venture.

FUTURE HOMEMAKERS OF AMERICA

These are the Future Homemakers of America.
 They face the future with warm courage and high hope.
 They are the builders of homes for America's future,
 Homes where living will be the expression of every-

thing
 That is good and fair,
 Homes where truth, love, security, and faith
 Will be realities, not dreams.

SCIENCE CLUB

The Freeport High School Science Club, advised by Mr. Robert G. Stern, is devoted to the furtherance of the teaching and learning of science within our school. To achieve these ends the club employs the Socratic Method. That is, a member will deliver a lecture and/or demonstration; his

audience, seeking to add to their knowledge, will then ask questions. Other activities of the Science Club include lectures by guest speakers and trips to places of scientific interest. The purposes of these are both to stimulate and educate.

LIBRARY CLUB

The Senior High Library Club is the oldest club in the school and purely a service organization. The purpose of the club, according to the constitution, is "To unite in one organization those persons who assist in the library and bring them together for mutual help and benefit to the library."

The club has about forty members who write overdue notices, take care of the charging desk, help process books, file, and do many other important tasks. The library could not exist without their services, and in appreciation, the school awards the members silver pins after one year of service.

With the division of the Junior-Senior High School, a sister organization has been formed this year, called the Junior High Library Club. Also, for the first time in its history, boys have been admitted to the club and have most successfully proven their interest and efficiency. This year, with the tremendous task of setting up the new school library, the Senior High Library Club has been more useful and appreciated than ever. The advisers were Miss Mary McIntosh of the Senior High Library Club and Mrs. Dolores Pratt of the Junior High Library Club.

The main purpose of the Junior High Art Club is to make Freeporters more art-conscious. To accomplish this aim the club displays the students' art work in the

library and in local stores. The club also affords the budding artists an opportunity to utilize media not available in the classroom.

JUNIOR HIGH CHEERLEADERS

Amid the shouts of "T-E-A-M," the vivacious Junior High Cheerleaders have not only urged the freshman football and basketball teams on to victory but also cheered at junior high pep assem-

blies. Under the guidance of Miss Jeanne Maxwell and Mrs. Shirley Fischel, the girls, captained by Susan DeCarion and Mary Gulit, have helped keep the Freeport spirit alive in the junior high.

MIXED CHORUS

A group which features four-part harmony, the Mixed Chorus participated in the Senior High Christmas Assembly and the annual Spring Concert. In the Christmas Assembly, the chorus, under the direction of Miss Miriam Roberts, sang the familiar "Carol of the Bells," with chimes played by Sally McIntyre, a modern Christmas song "In the Bleak Mid-Winter," and an expertly-presented cantata, "December —

A Joyous Month for All," with narration by Alan Kellock, and joined the Senior Girls' Chorus in presenting the finale, a special arrangement of "O Holy Night." "While We're Young," "A Roumanian Rhapsody," and the well-known spiritual, "Jacob's Ladder," were among the chorus' selections in the Spring Concert.

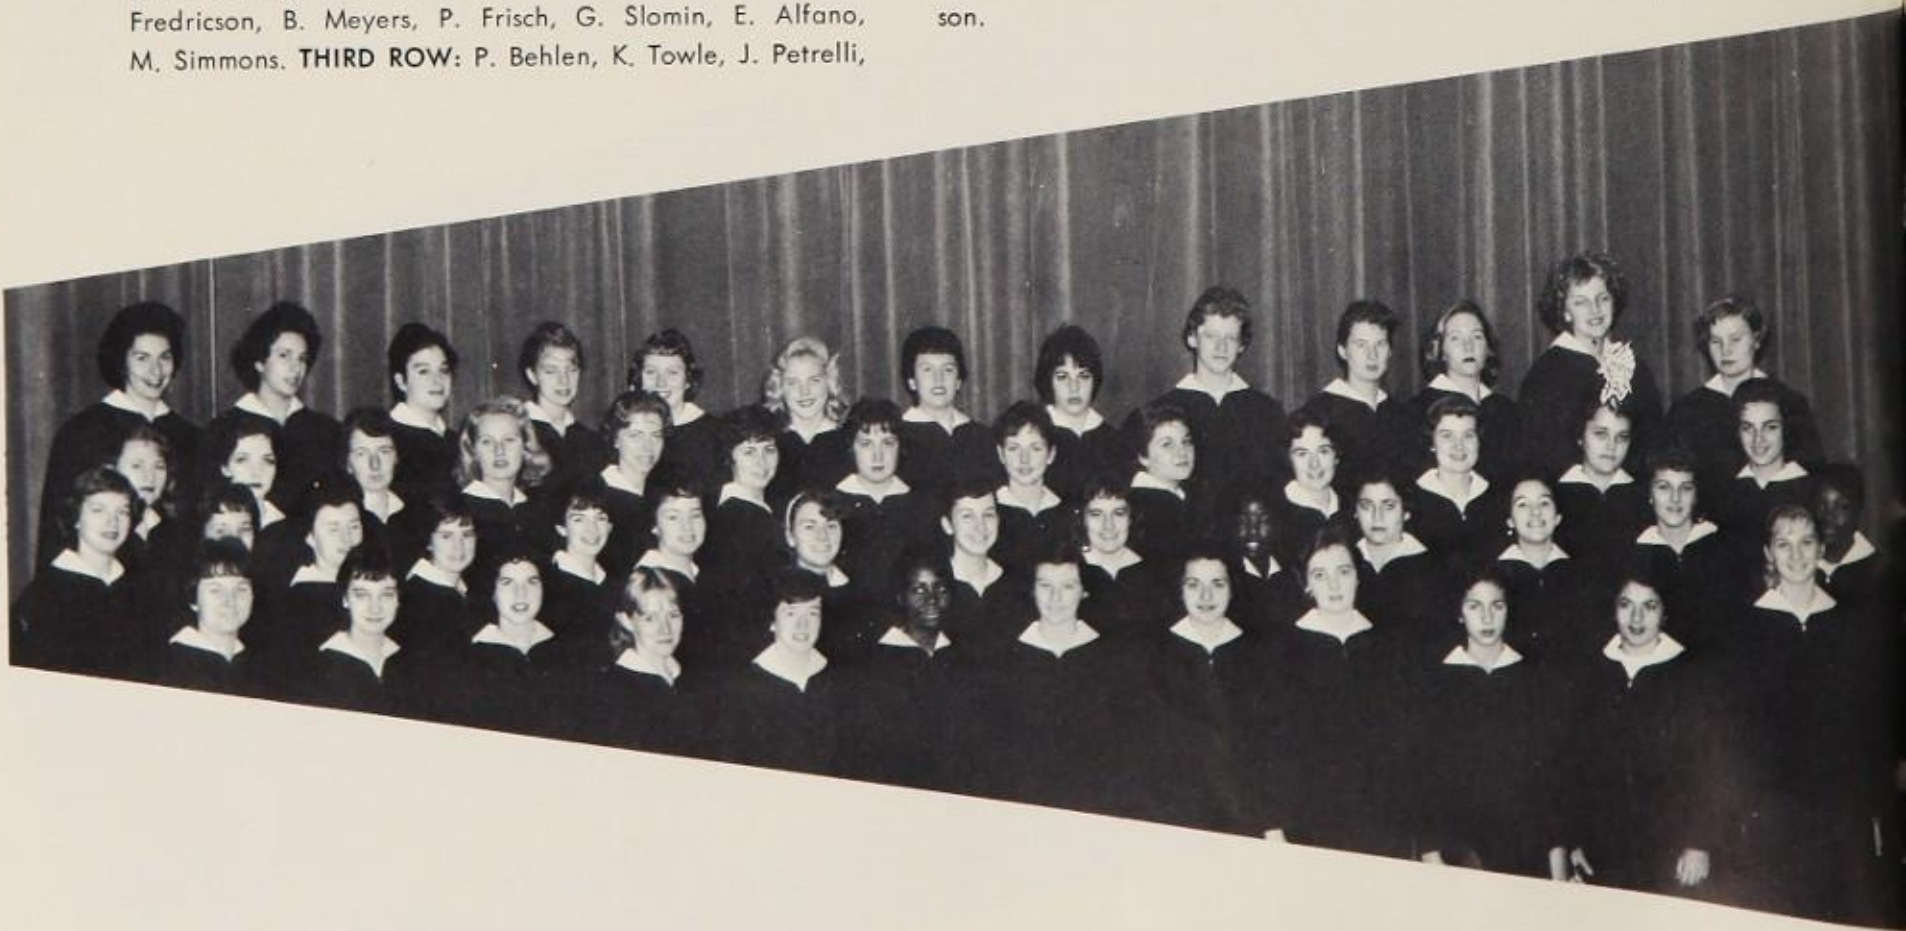

SENIOR GIRLS' CHORUS

This year the Senior Girls' Chorus, directed by Miss Miriam Roberts, sang at the cornerstone laying of the new high school, the Christmas Assembly, the Spring Concert, and the High School Commencement exercises. Some of the memorable selections harmoniously presented by the chorus were "Adeste Fideles," done in the traditional processional arrangement, "Ave Maria," with Pat Mucciolo as so-

loist, and "The Birthday of a King" at the Christmas Assembly, and "The Song My Heart Will Sing," "One Fine Day," and "Agnus Dei" at the Spring Concert. Martha Bryant, Joan Garbo, Carole Key, and Valerie Somers were accompanists. The chorus ended the year with their annual tea held in honor of the graduating seniors.

JUNIOR HIGH CHORAL GROUPS

A select group of fifty junior high students, the A Cappella Choir, directed by Miss Jeanne Maxwell, showed its excellence as a vocal group in caroling at Christmas time and singing at the Junior High Christmas Assembly, the Sunday Afternoon Music Hour Concert, and the Junior High Spring Concert. Choir officers for this year were: Carol Bishop, President, and Barbara Hansen, Secretary.

The Girls' Glee Club, consisting of 135 junior high girls, also participated in the Christmas Assembly, the Sunday Afternoon Music Hour, and the Spring Concert. Directed by Miss Maxwell, the chorus provided a pleasing blend of soprano, mezzo-soprano, and alto voices.

The Boys' Glee Club, under the direction of Mr. John Jenkins, sang at several concerts throughout the year.

MARCHING BAND

What makes a band a good one? It takes many long hours of practice in all kinds of weather, a devoted leader like Prof, and enthusiastic members. When you put these together, however, you have not only a good band, but one of the best in the East.

Evidences of the greatness of Freeport High's Band are the numerous engagements the Band fulfills, such as appearances at Mitchell Field, the Thanksgiving Day

parade in New Jersey, and annual parades in New York, not to mention the various football games and concerts.

Aside from its numerous other accomplishments, the Band also provides a great deal of the school spirit which "peps" up our pep assemblies and makes it an indispensable part of the school.

JUNIOR BAND AND ORCHESTRA

The Junior High Band and Orchestra have enthusiastically progressed in their first year under the direction of Mr. John Jenkins. A graduate of Penn. State and former Army Band Master, Mr. Jenkins has ably instructed them in the fundamentals of music.

A good performance requires many hours of "be-

hind the scenes" practice. This year the Jr. High Band and Orchestra have performed with excellence; the Band at the Memorial Day and Christmas Toyland Parades, the Orchestra at the Band Mothers' meetings, and both at the Christmas Program and the Spring Concert.

GIRLS' ATHLETIC ASSOCIATION

Since Freshman girls could not participate in sports, a new point system was inaugurated this year. To become a member of the G.A.A. each girl had to earn 125 points for her first award, a shield; 300 for her second award, a Freeport letter; and 475 for her third award, the coveted gold key.

The aim of this years G.A.A. was to raise money

for a showcase to display the newly acquired trophies. The names of the outstanding senior girl in each sport is placed on the trophy set aside for it. These names were announced at the annual G.A.A. assembly.

New officers were announced and awards were made at the Spring Banquet held at the Elks Club.

STUDENT LEADERS

The familiar call, "All out of the locker room. Line up on the black line, and no talking," is invariably heard when one is least prepared to obey. This year, unlike other years, the student leaders assisted the gym teachers, Miss Clark and Miss Way, primarily by teaching the practical application of all sports, team or individual. Taking attendance, putting up equipment, and refereeing were among their responsibilities. New girls are selected on the basis of leadership qualities, dependability, and their competence in playing the various sports. Each senior student leader is presented with a gold key in recognition for her fine job during the year.

This year the Atkinson School gym provided the facilities for the badminton team's Monday and Thursday practices. There our coach, Miss Richter, demonstrated various pointers in developing skill and accuracy. The Honor Team, determined by a ladder tournament, asked, "Did we or didn't we win?" This year a difference of only one game put Freeport's team in second place at Honor Team Playday held at Malverne.

HOCKEY

Undaunted by the stares of astonished Freeporters, the hockey team, outfitted in tunics and shin guards, was seen trudging to Raynor Street Field. Neither dust, nor "black-eyes," nor "late buses" kept these girls from learning the various strokes and plays of the fast-moving, exciting game of hockey. Under the able direction of Miss Clark, the Honor Team placed third out of a field of seven on their Honor Team Playday at Tresper Clark High School.

VOLLEYBALL

Aside from the fact that the Volleyball team was not too successful in their encounters with other schools, their motto became "Never say die!" In spite of the team's losses, Miss Richter taught the girls the essentials of the game — how to serve, spike and work as a team. Scorecard-wise the season proved nil; nevertheless, it was an enjoyable time for all.

TABLE TENNIS

The table tennis enthusiasts, practicing in cramped and drafty quarters met assiduously every Tuesday and Thursday. Since the size of the Honor Team, chosen by a process of elimination, did not necessitate the hiring of a bus, the school provided something smaller — a chauffeured limousine, vintage about 1940. They arrived in style on the Honor Team Playday at Mepham, accompanied by their able adviser

Miss Clark. For the second time in a row, they emerged victorious and placed first.

BOWLING

During the bowling season, Wednesday afternoons were sheer chaos for the new Freeport Bowl, because at 2:30 the girls went into action dashing madly about for their favorite bowling balls. Once this tumult subsided, the bowlers could be seen trying to improve their averages for the coveted Honor Team, and those not so proficient were sometimes seen accompanying their balls half-way down the alleys! The season, on the whole, was a successful one.

The call of "five and two," which was Miss Richter's way of "limbering us up," resounded through the gym before basketball practice commenced, whether it was at Atkinson or Bayview. Many were left perplexed by the question, "Is practice on Monday at Bayview and Wednesday at Atkinson, or at Atkinson on Monday and Wednesday at Bayview!" Although the three teams, Sophomores, Juniors, and Seniors, had only forty-five minutes of practice during those two days a week, the various plays and techniques were learned and applied to the game. A "disenchanted" Honor Team Playday at Amityville climaxed the season.

SOFTBALL

Braving the hazards of striking out, missing an important catch, or being tagged out, these fearless softball players soon overcame these mishaps and mastered the skills of softball. Although their new flaming red sweatsuits were received with snide remarks at Honor Team Playday, the girls, coached by Miss Clark, placed second in the standing at Baldwin.

ARCHERY

SITTING: S. Williamson. **STANDING**, L. to R.: M. Eastwood, H. Gritmon.

Archery, one of the spring sports, is becoming more and more popular every season. Tuesdays and Thursdays found a large group of girls at the now familiar Raynor Street Field practicing to perfect this highly skilled game. The Honor Team, consisting of the girls with the highest averages at the end of the season, represented Freeport at Honor Team Playday held at Baldwin.

CHEERLEADERS

Co-Capt. Bob Ness

Often times, outstanding teams depend largely upon the quality and efforts of its cheerleading squad. This year, co-captained by Lynn Murray, Sue Edwards, Bob Ness, and Carl Biathrow, our cheerleading squad overwhelmingly exemplified zeal and originality.

To improve their technique and master new cheers, our cheerleaders attended various clinics. Their purpose was certainly fulfilled once

the response roared by the crowds echoed through at Pep Assemblies and games!

Accompanying these zealots was our gal Val, whose frolicking and "devilish" ways spirited and aroused the crowds.

Certainly, this year's squad excelled in each of these three aspects of cheerleading: ability, agility, and vitality.

VARSITY FOOTBALL

Since their 13-7 defeat to Hempstead in the second game of the 1956 season, the Freeport "Red Devils" have remained undefeated for 30 games. This astounding feat can be proudly claimed by Coach Bill Ashley and his fiery and spirited gridgers. Although the "Red Devils" lost the Section I title to Lawrence because of two ties, they captured the Rutger's Cup, an award for the outstanding high school football team in Nassau County. The season was sparked by two important victories over Baldwin and Lawrence. The traditional Baldwin-Freeport game couldn't even be considered a contest as we romped 33-0. This victory gives Freeport an 18-16 edge in the Freeport-Baldwin rivalry.

The biggest game of the year, however, was not against Baldwin, but against Lawrence. On Thanksgiving morning, the Freeport "Red Devils" proved by swamping Lawrence 26-13 that they were still the best team on the South Shore. Although Lawrence won the league title, we were the only team that defeated her. Even more outstanding was the fact that we were the only undefeated team in Section I.

Outstanding for Freeport this year were Captain Dave Padgett and back John Pappas. Dave, a lineman, injected spark and spirit into the team while John bulletted his way through the line racking up touchdown after touchdown. Other hustlers responsible for Freeport's unblemished record were backs Joe Keleher, Jim Carucci, and Dick Carlisle.

J. V. & FROSH FOOTBALL

According to the record achieved by the Freeport J.V. "Red Devils," the Varsity should find little trouble in extending its winning streak to 38 games next season. Chalking up an outstanding record of 6 wins, 1 loss, and 1 tie, the Jayvee rolled through tough Lawrence and romped over Baldwin in the traditional rivalry. Freeport led 6-0 in its test of skill with Hempstead until the last minute of play, when, by a freak of luck, Hempstead managed to cross the goal line, tying the game at 6-6. Although captains changed with each game, a few sophomores

played outstandingly. Danny Ciotti, who was injured in the first part of the season, and Allen Homan spirited the backfield with their hustle and bustle. However, Coach Joe Devlin was quoted as saying, "Our line was much stronger than our backfield." Constituting the forward wall were "Skip" Meinhold, Gary Lowenthal, Ray Jones, Joe Pelliccia, and Andy Barchas.

The successful Freshman "Red Devils," under the proficient coaching of Al Renken and Bill McElroy, promise another exceptional Jayvee team next year.

CROSS COUNTRY

"Whewwww" was the familiar moan heard around the Cleveland Avenue Field during the exasperating months between August's end and the Ides of November. Under the able coaching of "rookie" John Augustine, the Freeport harriers, confronted with many hardships, compiled a shameless record of 4 wins and 4 losses. Our "steeplechasers" had to overcome both the upgrading from a Class A to a Class B league and the loss of all but seven of last year's lettermen.

Having no outstanding competitors, the harriers chalked up their wins through their depth, consisting of Captain John Maikisch, sophomore Doug Brook, senior Bob Smith, and juniors Henry Berns, Rich Ehli, and Don Hanson. In the S.S.A.L. playoffs Freeport placed 5th out of 20 entries. The depth, based on the running abilities of mostly sophomores and juniors, will insure a successful season next year.

VARSITY BASKETBALL

Following a season near the bottom of the barrel, the Freeport hoopsters bounced back and secured a fourth position in the S.S.A.L. Section I basketball league, behind Hempstead (16—0), Baldwin (14—2), and last year's Nassau County Champs, Oceanside (10—6). Their loss to Oceanside in the last game of the season defeated their chances of a berth in the county tournament. As it was, the hoopsters pulled out a commendable 9—7 record. Captain Bill Tydeman, center, was largely responsible for the losses suffered by Oceanside, Mepham, East Meadow,

Uniondale and Sewanhaka. He finished the season ninth in the County by scoring and averaging almost 20 points per game.

Losing Jerry Jackson and Joel Johnson did not seem to hinder the boys as their perseverance and team spirit pulled them out of many a tight game, seconds before the final buzzer. Next year appears even more promising with returning lettermen Mike Frank and Richie Keller — two fair-sized giants, George Gibson, Ray Wilson and Herman Tibbs.

FIRST ROW, L. to R: C. Leppe, F. Randall, A. Starks, D. Cardone, J. Stewart, N. Shefferman, Ruben, M. McCormack, M. Saltzman, C. Watson, A. Rosenbloom, F. Carillo, B. Terry. **NOT SHOWN:** Mgr. A. Kasof. **SECOND ROW:** H. Greenberg, B. B. Jackson.

J. V. & FROSH BASKETBALL

Plagued by the lack of returning J.V. dribblers, the Freeport Junior Varsity hoopsters were confronted with one major problem — experience; they simply had none. Rookie Coach Don Borgnine was, however, proficient in giving the boys necessary training for next year.

The hoopsters' overall record for the season was 7—11, their league record being 6—10. Leading this

squad were Danny Cardone, Neal Shefferman, Clint Watson, Mark Saltzman and Jim Stewart.

The up-and-coming freshman team should provide a boost to the J.V. squad next season. Its 6—4 record was the result of superior players such as Captain George Gould, Jerry Peisan, John Franklin, Earl Wade, and Rico Moore.

Last year's Riflery yearbook copy ended with an optimistic prophecy — "underclassmen like Bob Harger, Bob Henke, and Jim Carswell insure another sterling season." This speculation proved surprisingly true as Freeport's all-winning Rifle Team swept away its fourth straight Section Eight New York State Public High School Athletic Association riflery championship. The Red Devils ended with 929 points, 442 standing and 487 prone. Freeport also produced the individual champion for the fourth straight year —

Bob Henke who fired a 191. Freeport's sharpshooters have not lost a regular season nor a championship match since 1956. All totaled, the Section Eight Champions have 69 successive victories to show for four years, including twelve consecutive titles. As in past campaigns they have also marched proudly away as South East Division and South Shore champions. Don Griffiths' and Ronnie Powell's fine shooting played no small part in Freeport's outstanding season.

BOYS' LEADER CORPS

With the shout of "class attention" by one of the helpful members of the Boys' Leader Corps and the subsequent conducting of three or four calisthenics, Mr. Augustine and Mr. Tuthill, with these indispensable leaders, are ready to pilot another well-run gym class.

The leaders, who are selected on their gymnastic abilities, leadership, and character, officiate games, perform necessary class demonstrations, and conduct the decathlon tests. For their unselfish efforts, they are annually presented with awards.

BOWLING

Under the able coaching of Randy Powell, the Freeport keglers, sparked by captain Mike Berman, completed another successful season. Having had only two seniors on the team this year will inevitably pave the way for the up and coming sophomores and juniors, Mike Bernstein, Fred Bloom, Bill Russell, Don Goldsmith, Gary Post and George Bosch. Anyone who stopped in at "Werner's" on Sunrise Highway during the winter would have seen our boys prove the popular belief that practice makes perfect.

FIRST ROW, L. to R: R. Halpern, Capt. A. Hausfather, G. Falk. **SECOND ROW:** Capt. R. Eisman, F. Bloom, D. Jackson. **THIRD ROW:** M. Bernstein, Coach R. Terry, R. Mor-tack.

Although Coach Russ Terry's netmen completed their season with a 5 won, 9 lost record, they have shown the biggest improvement since the commencement of tennis at Freeport High four years ago. Sparked by Co-Captains Rich Eisman and Al Hausfather, the racketmen whitewashed East Meadow twice 5-0, Levittown 4-1, and Southside twice 3-2. With six lettermen leaving in June, the responsibility of holding up the team is placed upon the shoulders of Mike Bernstein and Fred Bloom, the only returning lettermen.

The handicap, however, felt by this team in past years due to the lack of tennis facilities on the premises will be removed with the completion of tennis courts at the new Freeport High School.

WRESTLING

This year the Freeport High School grapplers wrestled their way to their most successful season to date, winning ten matches while losing but four. The team, coached by Vince Zuaro, as it's been since its onset, was piloted by co-captains Bob Taylor and Bob Woelfel. The most outstanding and thrilling match of the season was Freeport vs. Wantagh. The match, which could have gone either way, was finally taken by Freeport as Bruce Doran pinned his man in the 158 lb. weight class. Other admirable performances were against Baldwin, Suffern, Oceanside, and Uniondale. Individually, many boys were successful in post-season tournaments. Neil Baselice won the championship in his weight class while Padgett, Pewalka, and Turner placed second in theirs. Taylor and Woelfel, in their classes, placed third and fourth respectively. Coach Zuaro is looking forward to another successful season next year when Doran, Baselice, Olsen, Pewalka, and Pirodsky return.

LACROSSE

In the 1959 season, Freeport turned out another winning Lacrosse team. Although they did not match the 12 won — 2 lost record of the 1958 Lacrosse team, it must be considered that they lost the performances of All-Scholastic Charlie Jackson, Ricki Riccardi, Dick Finley, and Tom Donnelly. Leading the team last year were Captain Richie Nathan and All-

Scholastic John Pappas. The victories chalked up last year can be attributed only to the hard work and determination displayed by each and every Freeport stickman.

With a full slate returning in the '60 season, a most successful record is anticipated.

TRACK & FIELD

To be undefeated in dual competition for four years, cop first place in the mile in both the Section 1 and the South Shore Championships, and finish first as part of an all-star relay team in the Inter-sectional (state) Meet all require some pretty fantastic running. Jim Tucker, a truly remarkable runner and probably one of Freeport's all-time best, if not the best, is the proud owner of all these honors. The team's 7-4 record indicated that although strong in track, it was weak in field events. Coach John Augustine was exceptionally proud of co-captains Jim Tucker and Ernie Zafonte, as well as Steve Cleary, "Whitey" Kress, Bob Vivian, Leo Zafonte, Rich Saunders, and John Maikisch, the body of the team, for the consistency in their running. In the South Shore Relays, Freeport set a record which undoubtedly will stand for a number of years. In dual meets Freeport's middle distance runners took 40 out of 48 possible places.

They're off and running!

Among the returning lettermen will be Bill Tydeman and Dave Goldman behind the mound and John Hiller at the

other end. The J.V. Baseball Team, under the coaching of Len Fleischner, completed a more successful season producing such candidates for next year's team as Denny Durland, Arnie Leap, Jack Moran, Don Goldsmith, and Messrs. Matthew and Jack McCormack.

FREEPORT HIGH SCHOOL
FREEPORT, NEW YORK

—
FREEPORT 8-2730

J. WESLEY SOUTHARD, PRINCIPAL

IRVING B. FRANKLIN
ASSISTANT PRINCIPAL

1960 YEARBOOK MESSAGE

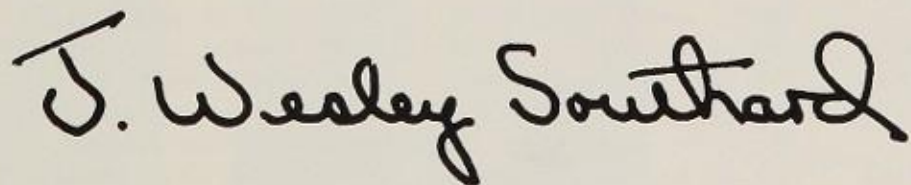

The Old — The New

A few short decades ago a high school opened its doors on Pine Street in Freeport as the climax of a community project that included a bond issue, the purchase of a site, and the erection of a modern, two-story brick building. This provided the village in the twenties with a new, up-to-date high school geared to meet the academic, cultural, social, and athletic needs of the youth of the area.

The school boasted a fine gym and a beautiful auditorium. It prided itself on the successes of its debating teams. It initiated one of the first National Honor Society Chapters on Long Island. It organized a Junior High School. It stimulated the talented, prodded the indolent, encouraged the slow. It witnessed the Depression, sent men and women to the wars. Then it felt the pressure of post-war growth and could no longer meet the needs of a growing community in our modern world.

A few short months ago the cornerstone was laid for a new high school in Freeport, again the climax of a community project — a bond issue, the purchase of a site, and the erection of a beautiful, modern building. This will once again provide the village of Freeport, in the sixties, with a two-story, brick building especially designed to meet the present-day needs of Freeport's youth in a world challenged by space, automation, and the search for moral and spiritual integrity.

From the Old to the New! May the spirit of Freeport High School live tomorrow as it did yesterday and as it does today.

J. Wesley Southard, Principal
Freeport High School
